I'm in love with Stampin' Up!'s new Curvy Keepsake Box Thinlits Die (from the 2014 Stampin' Up! Holiday Catalog). With this delightful die set, you can make your packaging as unique as the gift inside. This box requires minimum adhesive and comes together quickly. You can keep it simple by just adding a tag and ribbon (3 tag dies are included in the set) or have some fun and create holiday characters boxes like the Santa and snowman shown below.
