You love the magic of the season, you want to make great memories with your family—but as those special days get closer and closer, you find yourself anticipating a few late nights. After all, creating handmade cards and holiday décor takes time . . . right? And so often other activities and plans have to come first. So why stay up late by yourself? From party favors to place settings, from cards to handmade gifts—almost everyone needs something. Why not have a fun get-together with family and friends and create your own holiday magic? You know you’re going to gather with loved ones anyway, so why not help one another, have fun together, and cross one more holiday to-do item off your list? It’s a memory waiting to happen, and who knows, it might become a tradition that you’ll want to repeat year after year! After all, this is a time to celebrate with family and friends. And we think Stampin’ Up!® has just what you need for making those memories. So enjoy, and have a wonderful and merry holiday season!
