When I tried to choose the things in this mini I’m most excited about, there were too many to list. One thing for sure, from Halloween and Thanksgiving to Christmas and snow, you’ll find something for every holiday happening!

I can hardly wait to wrap all my holiday gifts in our new printed wrapping paper and coordinating ribbon, along with a hand-stamped tag, of course. And in addition to using these products for my cards and scrapbooks, I’m imagining stamping delightful garlands and simply adorned ornaments to decorate our home for the holidays.

And wait, there’s one more thing—every stamp set is die cut, a wonderful holiday surprise that will save you time during this most busy time of year!

I wish you joy and peace this season, as you share your holiday wishes through hand-stamped expressions of love.
