dear friends,

We’re celebrating our return to an annual catalog with a fresh, vibrant redesign that I love—I hope you do too! The “swatches” showing our color families are fun and eye-catching, the pages separating each section show off several Designer Series paper artwork, the creative stitching draws your eye to valuable stamping and crafting tips, and the full-colored boxes that feature specific products used to create certain projects are helpful and informative.

Of course, those are all design elements that hopefully draw attention to what we’re really all about—exclusive artwork, quality products, and inspiring ideas.

And I’m thrilled with what we’re offering in those areas as well. We are committed to providing an impressive variety of images, styles, and greetings. You’ll find everything from bold to intricate and line art to Two-Step. There’s elegance, whimsy, contemporary, humor, and beauty—something for everyone!

I’m also excited about our collections—wonderful groupings of products that coordinate perfectly together in color and theme, making it even easier to quickly identify what you need to create your seasonal or special occasion projects.

Whether you enjoy cardmaking, scrapbooking, gift giving, or home décor, within the pages of this catalog you will find everything you need to explore and express your creativity—all without leaving the comfort of your own home!

our stamps and products

Enjoy Stampin’ Up!® artwork on coordinating stamp sets and other exclusively designed products. Because our sets are die cut, you can assemble them in seconds and start stamping right away! And don’t miss our accessories, many of which are designed to coordinate with our stamp artwork. Use the products individually, or mix and match for greater impact.

browse the collections

Throughout the catalog, you’ll see that many of our products are featured in collections. Each collection includes products that coordinate in color, texture, and theme. Our collections make it easy to create coordinating, handcrafted keepsakes.

décor and more

Decorate your walls and create custom décor with our easy-to-apply vinyl elements. Use them to redecorate an entire room or to refresh select pieces such as frames and tiles.
This catalog also features Shelli’s Signature Collection, products that Stampin’ Up! cofounder and CEO Shelli Gardner loves because they reflect her personal style or make creativity more simple and fun. To see Shelli’s product picks, look for stamp sets and accessories marked with a heart symbol. Then try them out to see what you can create!

The foam-backed rubber and deeply etched designs on each stamp ensure that your images remain sharp, resulting in exceptional projects. Our blocks are made of solid maple wood, with side grips that ensure ease of use. All stamp sets shown in this catalog are shown at 100% unless otherwise noted.

Use our accessories to give your projects the finishing touch. Whatever look you want, you can achieve it with our coordinating ribbon, buttons, glitter, and more. Look for color coordinating accessories shown throughout the catalog.
Stampin’ Up! makes choosing color combinations easy! With our four color families, In Color® collection, and selection of neutral colors, you’re sure to find coordinating shades you love for every project. And don’t miss the accessories available in many of these exclusive colors.
Colors, item numbers, and prices for items available in our color families are listed on pages 154-157.

Things have been rough between us.
I just want to say I’m sorry.

I wish I hadn’t. I’m sorry.

You are stronger than this.
You are brave and courageous.
And let’s face it.
You’re my friend, so that means
you can put up with anything.

I’ve never known someone so brave.
I’m praying for you.

Sometimes the only thing making
life’s darkest moments bearable
is having someone by your side

Thank you for being

**buttons, brads, and bows**

I'm here for you always... 
please know that I care. 

May God’s love 
heal your sorrow, and may 
His peace replace your 
heartache with 
warm and loving memories. 

A friend is someone who 
strengthens you 
with prayers, 
blesses you with love, 
and encourages you 
with hope. 

Sharing with you 
the miracle of 
new hope and new life 
through the glorious gift of 
Christ the Lord. 

May the God of love 
be the heart 
of your marriage, 
the light of your home, and 
the ever-present partner 
in your new life 
together. 

Today is God’s gift 
to you... 
Each day you are God’s gift 
to me!

Sending you a little 
something... wrapped in a whole lot 
of love! 

Time passes... 
friendship stays 
right where it’s put! 

Wishing you love 
and laughter... 
forever after! 

Two simple words 
that come with so much 
gratitude... thank you.

Happy Birthday
