As I browsed through this mini, the line-art images caught my attention. They work wonderfully for watercoloring. I hesitate to watercolor because it’s a technique I don’t do well, but these images, especially Bloomin’ Beautiful and For Father, made me want to pull the watercoloring tools out!

I felt several of the sayings were particularly delightful. The one about twins in By Ones & By Twos almost made me want to have twins. And I just had to smile as I read Sassy Suzie’s sayings.

I also loved the diversity of In the Stars and the distinct look of She’s All That. And I have been waiting excitedly for our Chunky Sprinkles Stampin’ Glitter®; they’ll be perfect for holiday and home décor. I could go on and on, but I’m out of space and I’m sure you’ll find your own favorites! Happy stamping!
