OUR STAMP STYLES

We offer three styles of stamps to meet your needs for any project—look at each stamp set description to see what sets are offered in which material.

All of our stamps are made in the United States and are packaged in cases with images on the spine for easy storage and quick reference.

ALL STAMPS ARE SHOWN FULL SIZE UNLESS OTHERWISE NOTED.

One set of reusable clear blocks (p. 176) works for all of your clear-mount and photopolymer stamps, reducing storage space.

Classic Rubber

Our classic red rubber stamps are offered with two different options for mounting on blocks:

- **Clear-mount**: With the clear-mount option, you receive a compact set of stamps ready for you to mount on reusable clear blocks (sold separately). Mount them one at a time or with others to create your own designs, then remove for easy storage.

  Petite Petals Stamp Set (p. 78) shown in photo.

- **Wood-mount**: Each wood-mount set comes with a set of farmed maple wood blocks—one block for each stamp. Mount them once and they’re always ready to go!

  Petite Petals Stamp Set (p. 78) shown in photo.

Photopolymer

Our transparent photopolymer stamps make it easy to perfectly line up images and create unique effects. The ease of alignment and versatility also make them our stamp of choice for all-inclusive kits (p. 80) and our project kits (p. 152–153). Mount them on reusable clear blocks (sold separately).

- **Create your own stamp combinations by placing several stamps on a single block.**
  
  Another Thank You Stamp Set (p. 15) shown in photo.

- **Stamps are flexible, giving you even more creative possibilities with each set.**
  
  Chalk Lines Stamp Set (p. 123) shown in photo.

- **Clear photopolymer stamps on clear blocks make image placement easy. Layering stamps in this way is called Two-Step Stampin™. Look for sets throughout the catalog marked as Two-Step, and try it yourself!**
  
  Celebrate Today Stamp Set (p. 102) shown in photo.
Find Your True Colors

Color is an integral part of any project, adding meaning that words and images can’t achieve alone. It evokes emotions and helps us express our creativity. Stampin’ Up! makes it simple to achieve just the right look for your projects. Our unique color collections take the guesswork out of matching colors, so coordination is a snap! And every year we introduce five new In Colors, available for two years, to keep your palette fresh and exciting.
