**Directions to the Village Ranch: 13477 60th St SW, Cokato, MN**

**From Wayzata**, take Hwy 12 west all the way through Howard Lake. Just before entering the City of Cokato, there will be a sign saying Good Sheppard Church... then turn left at Junction 31. The Village ranch will be on the left. So below for more directions.

**Coming from Dassel**, you go through Cokato and just coming out of town you will see signs for the same thing. The green street sign says "this way to 60th Street SW". But there are also the signs saying Junction 31 and Good Sheppard Church...three signs all the same turn.

**From Silverlake** you are on county Rd 3 and you will come to a four way stop that says 60th Street you would take this to the East (right hand turn).

There are five buildings on the complex. It can be seen from Highway 12 and if you are on 60th St you cannot miss it. We are gathering in the grey building on the west side and in the back. There is a big sign saying Village Ranch, after turning in please follow the sign that says kitchen and come to the back (this will be the grey building farthest to the west).
