

40 Guests in 4 Minutes

Are you staring at a pile of invitations wondering whom to invite? Here's a quick way to jog your memory of friends and acquaintances you could invite to attend your Stampin' Up!® workshop. It's called "40 Guests in 4 Minutes," and it's easier than you think.

But you're probably thinking, "Why invite 40 guests? I don't have room in my house for 20!" Typically, only half the guests you invite will be able to attend your workshop, so it's important to invite more than you anticipate. Just don't be disappointed if certain guests don't attend. Sometimes an invited guest doesn't attend, but perhaps she will come to a future workshop. Or, even if she isn't interested, she might give the invitation to a friend who would, so invite everyone you think of!

Now grab a pen and paper and try the following exercise. You'll be surprised how quickly your list grows!

4 Relatives

4 Friends

4 Co-workers

4 Neighbors

4 Church or social group contacts

4 People you do business with (bank, store, salon, etc.)

4 People who have invited you to a home workshop

4 Spouses' co-workers or their spouses*

4 Previous co-workers/neighbors

4 Contacts through your children (PTA, scouts, dancing, sports, teachers)

*Remember, no one is ever insulted by an invitation! And a personal invitation is usually best!
