Instructions:

1. In upper right corner of folded card front, stamp keyboard image several times until reaching the 2-1/8" score line.
2. Fold sentiment piece, stamp on larger side...greeting with black ink, heart note with Real Red ink. Adhere bottom section to keyboard piece (centering it). Adhere keyboard piece with sentiment to inside of folded card base.
3. Adhere (10) white keys to piano board (use SNAIL at the top only - then once all keys are positioned as you want them, add a glue dot to the bottom). Adhere (7) black keys using Mini Stampin' Dimensionals.
4. Use largest Stitched Shapes oval to die cut out the "curve" of the grand piano from the large black piece.
 - a. position the bottom left corner of the oval die in the upper right corner as follows:
 - b. at the top edge, 1-3/4" to the left, on the right edge, 2" down. After die cutting, use scissors to trim off the "curved ends".
 - c. Adhere to folded card base - on the bottom section only.
5. Wrap ribbon around bottom card front, tie in a bow. Adhere flower & leaf die cuts with Mini Glue Dots. Add rhinestones to leaf and sentiment. Then give to someone special.
