## Featured Paper Pumpkin Kit:

- Wickedly Sweet Treats, September 2015

## Additional supplies used:

- 100730 Whisper White Cardstock 1-1/4" x 5-1/2"
- 119684 Cajun Craze Cardstock 8-1/2" x 5-1/2". Score in the center at 4-1/4" and fold.
- 119246 Rhinestone Jewels

## Instructions:

1. Using one of the fringe pieces in your kit, cut across so that the fringe is 1-1/4" long, keeping the end with the adhesive as your top. Glue to the bottom of the Cajun Craze Cardstock base.
2. Glue the Whisper White Cardstock piece above the fringe layer.
3. Pop out all of the Elegant Eggplant tag layers in your kit and set the tags aside. Using the leftover frame, snip across with your scissors to create a strip and glue this strip over the white and fringe layers where they meet. Trim to fit.
4. Stamp the sentiment and leaf images on the Whisper White layer using the ink that was included in your kit.
5. Add Rhinestone Jewels to the background.
6. Tie a piece of the raffia around the card base below the striped strip and trim.
